“We took the best elements of the previous game and improved them, so the way players move in the new edition is much more authentic, more believable,” said Steve Nash, Senior Director of Pro-Soccer for EA SPORTS. “When you see that next-level player who’s kind of floating over the ball, how do they do that? This technology allows us to look underneath the skin of the player, animate how they move on the field, and really elevate the realism in your game.”

Call of Duty: Black Ops 4 – Created with Call of Duty: Black Ops 4, “Rapture” will allow players to play as Operation Atlantis and defend the islands of a renovated and expanded Samothrace. The game’s campaign will feature regular maps, one of them, the iconic Arcadia, being almost entirely remade. Other maps include The Frozen Shores, Aquila, and the newly added Arcadia.

NBA 2K20 – Sports world sensation Kevin Durant returns for his 20th NBA season as part of a roster that features NBA superstars on all 30 NBA teams, including Westbrook, Kyrie, Giannis, James, Kawhi, Giannis, and KD. The game’s Passmaster AI will challenge your best shot combinations and improve gradually over the course of the season. The game also features MyPLAYER, the ultimate representation of a real athlete’s personality and skills, both on and off the court, that will help guide you to unlock its many unlockable items and rewards.

PUBG: Game mode Trailer Torbjorn – In “All that Glitters,” you play Torbjorn on an island with a number of other players who have invaded to partake in this battle for ownership of the island. You’ll face off against other players in a variety of modes, and you’ll be able to gain an advantage in a match by unlocking Torbjorn’s unique abilities.

TORCHES x Ballsy – “Torches” is a standalone experience where you can be a firestarter and join a free-for-all Fire Wars match where other players have been invited to experience battle between fellow flames. This mode can be played in single or multiplayer and features two teams and two goalposts, allowing for four intense fire fights. The play mechanics for “Torches” are inspired by the classic trick-and-charge gameplay of

EA SPORTS FIFA 19 Highlights: Season of the Game FIFA 19 is the official videogame of the 2019 FIFA World Cup™. Featuring a new direction that provides unparalleled authenticity on the pitch, more intensity and drama in the dressing room and entirely new ways to play for all fans of the beautiful game. Jump into the action with the new gameplay features that turn FIFA into the authentic football experience. Combining refined controls and gameplay with an intuitive HUD, FIFA 19 will change the way you play. You will never be ignored as the free-flowing and spectacular gameplay, combined with intelligent controls and a new way to play, means that all players will have an impact on a match and you will feel like the superstar you are. You'll feel every touch, every tackle, every goal and every shout of pain – the only difference is you will have a little more control. Whether you choose to score, defend or create, impact every part of the match to control the outcome of the World Cup™. Unleash the Perfect Ball: Picking the Perfect Pass FIFA 19 features a revolutionary new pick and pass functionality: simply press the button and you will immediately be able to select which player your pass is going to when you release the button. For the first time in a FIFA game, players will be able to build attacks by selecting the best pass combination instantly, and all players on the pitch will be able to create a chance to score. The difference is, when you pick a pass you don't have to control the ball's position. Every player in the world will be able to give you a perfect pass, and you will have a perfect, illusory ball to play in the game. You will be able to build attacks by selecting the best pass combination, and all players on the pitch will be able to create a chance to score. Pick and pass has never felt so real. Pick and play sets you free to use the ball at the perfect moment, providing you the opportunity to decide the outcome of the match. Your ultimate freedom. Enjoy the game like never before: Start-Up Acceleration You'll feel like you are an everyday footballer and it's time to get your boots dirty. Get into the game using intelligent play techniques such as sliding, handball and off-ball movement as well as the full suite of pass styles. bc9d6d6daa

Play and manage your very own Ultimate Team in a dynamic game that constantly evolves thanks to a continuously growing and adapting ecosystem of players and clubs from around the world. Create and manage your own dream team of players then compete online for your trophy cabinet. Go up against real players in Weekly Challenges, take on the challenges of the community to test your team's mettle, or draft a new player directly into your deck with the Create-a-Player feature.

Improved Player Intelligence - As you play through the entire progression of a game with, for example, Gary Neville, you'll never be caught out by a surprise tackle again. You'll know when a striker is about to make his run or a defender about to surge forward. In addition, FIFA Ultimate Team continues to evolve as you play. For example, as you create your own collection of players, you'll be able to use some of them in the game. This means you can have, for example, David Alaba and Edin Džeko on the same team. **12-Player Online Group Play** - Group matches now allow you to create matches with up to 12 players from your friends list. You'll be able to play online 5v5, 5v6, or 8v8 matches with a maximum of 12 players from your friends list. Your friends list will be displayed on the top-left corner of the scoreboard. **My Player** - Your My Player will be able to add, for example, players from your friends list, find game modes, and check your stats. The My Player should also be able to download news, videos, and photos from FIFA.com to your phone. **Card Builder and Card Management** - Go beyond the 'card effects' that can be attached to a particular card by creating your own gameplay-changing effects that can be used to turn any card that you want into a game-changer. Players can now choose what effects they want to use and even where they want to use them from a new, intuitive interface. **Improved Pass Motion** - Pass motion speeds are now more fluid and natural-looking. This not only improves the flow of the game, but also maintains the integrity of passing and shooting as the player moves throughout his run or shot. During sprinting, the player is no longer slowed down by pass collisions. **Improved Movement** - Players can now take more intelligent routes when moving around the pitch

What's new:

- **Best of the Ball - Manipulate the ball and impact every moment of the game. Take the ball off the dribble, curl a free kick, drill a powerful shot, or strike a pinpoint pass - every move has its rewards!**
- **Bigger Builds - Get bigger and faster with over 600 new animations, including elite moves, new dribble moves and new dribble crosses for all 11 positions.**
- **ACE - Rediscover the fun and fluid gameplay that made FIFA II so successful.**
- **Agility 2.0 - Get closer to the ball with enhanced ball control mechanics and control the game at every pace.**
- **Auto-Tackle AI - Go from defender to defender, or run through the midfield, automatically recreating the real-world challenges that you face on the pitch.**
